Hospitality Rider

Dressing room:

Please provide 1 lockable backstage room, if possible equipped with a working refrigerator, Wifi connection (WiFi codes printed), furniture, power sockets and some fresh towels.

Catering backstage:

- cold water (bottles) and non alcoholics, e.g. Coca Cola (preferably zero), Fanta, Sprite...
- 24 cans/bottles of cold beer
- Some sandwiches, snacks/fruits before and at the end of the show would be nice

Dinner:

Dinner needs to be based on 6 people, or we have told more people to come, like photographer/merchandise, stagehand or/and light engineer. No vegan diner, unless stated otherwise! If the venue cannot provide a suitable dinner, then a buy-out of €12,- will be made available for each band/crew member.

Stage:

This means on the stage during the show. Please don't forget it!

- 4 bottles of cold water
- 4 cans/bottles of cold beer

Backline

When the venue provides the backline:

- An (at least) 4 piece drum-kit (Kick, 2 rack-toms and a floor-tom). All the drum hardware: Snare-stand, at least 3 boomstands, a hi-hat stand and a drum riser. Our drummer will provide: Cymbals, Snare drum, double bass pedal and a Roland SPD-sx sampler
- Both of our guitarists are happy with a Marshall JCM900 cabinet or something in that range. They will provide the amplifiers (if not offered by venue) and the multipedals themselves, their guitars and breakables.
- Our bass-player is happy with a Hartke or Trace Alliot bass amp. At least 300 Watts.

If we provide the backline, we will bring:

- Our drummer and guitarist use **IN-EAR**-systems.
A 5 piece Tama drum-kit with drum-rack, 1 kick, 2 rack-toms, 1 floor-tom and a snare. One hi-hat stand. Double-bass pedal, Roland SPD-sx and the rest of the hardware. And of course cymbals...
- Our first guitarist will bring a Marshall 8412 cab, Randall RD45H Diavlo as well as pedal, guitar and breakables.
- Our second guitarist will bring a Marshall 1960 LEAD cab, ENGL Ironball Special Edition incl. pedal, guitar and breakables.
- Our bassist will bring an Ashdown M.A.G. 300. 300W bass amp. Of course he brings his pedal, bass-guitar and breakables.

Soundcheck, Stageplan and Monitor-Mix

Soundcheck: 30 minutes minimum.

We hope we can soundcheck before the venue opens. Everything needs to be checked and working before the show. Please make sure Nafearya has full access to the stage, FOH desk and lighting desk at least 15 minutes before show time.

Stage

Minimum 5 meters wide and 4 deep excl. PA and MON space and power blocks around the stage. The drum-kit needs to be in the center of the stage (constructed on drum rug/mat).
